|   | <b>Level</b> | <b>Skills Index</b> | <b>% Result</b> |
|---|--------------|---------------------|-----------------|
| <b>1. Numeracy Skills</b>                   | Advanced     | 3.7                 | 36.67%          |
| <b>2. Communication and Literacy Skills</b> | Advanced     | 2.7                 | 26.67%          |
| <b>3. Core Competencies</b>                 | Intermediate | 2.7                 | 26.67%          |

We recommend that the participant achieve a minimum score of 7.0 (70%) or greater in each of the skills areas which indicates proficiency in the area being tested. This final report is not meant to indicate a pass or fail. Generally a score lower than 7.0 (70%) would indicate that further training is required.
